ORDER ADOPTING REPORT AND RECOMMENDATION

This action for judicial review of the Commissioner's denial of disability insurance benefits and supplemental security income benefits was referred for initial proceedings to United States Magistrate Judge Doyle W. Argo, consistent with 28 U.S.C. § 636(b)(1)(B). Judge Argo entered a Report and Recommendation on January 26, 2011, recommending that the decision of the Commissioner be affirmed. Plaintiff, through counsel, has timely filed an objection to this report, and the Court therefore considers the matter de novo.

In his thorough and well-reasoned Report and Recommendation, Judge Argo sets out the relevant facts and prevailing law, and no purpose would be served to repeat those here. In his objection, Plaintiff merely restates the conclusions and legal argument originally asserted, and raises no issue not fully and accurately addressed and rejected by the Magistrate Judge.

Accordingly, the Court adopts and affirms, in its entirety, the Report and Recommendation of the Magistrate Judge, and for the reasons stated therein, the decision of the Commissioner in this case is affirmed. A judgment will enter accordingly.

IT IS SO ORDERED this 4th day of March, 2011.

ROBIN J. CAUTHRON
United States District Judge
